Classes for small, medium, and large companies will be established once all companies have registered to participate in the Columbia Corporate Games with the goal of creating fair competition. Each sponsored event will contain a male & female category, each competing within the Corporate Division. There will be 2 classifications for scoring points (male and female points will be combined towards team and company totals):

- Team Category: consists of the points scored by individual teams
- Company Category: consists of the total points scored by each company

POINT SYSTEM

Points will be awarded to the first three corporate finishers in each event in the Corporate Division. Points won by each team of 15 will also be counted toward the company’s point total. For example: If “Show-Me State Games team A” gets 20 total points those will also count towards the “Show-Me State Games” total in the Trophy Category, along with the individual Team Medal Category.

Breakdown of points:

10 for 1 st place	4 for 4 th place
8 for 2 nd place	2 for 5 th place
6 for 3 rd place	1 for 6 th place

VOLUNTEER POINTS

Companies will get additional points based on the number of their employees who volunteer for the Show-Me State Games. Each company will get 2 points for each individual who volunteers for the Show-Me State Games (to not exceed a maximum of 50 points).

COMPANY AWARDS

Teams will be awarded the traveling trophies for each division (Small, Medium and Large), as well as other potential awards at our Volunteer Banquet on Sept. 19.
