**\*\*Each individual player must complete an entry form. Only one "coach" needs to complete an entry form to act as the contact person. This person will be the contact person which will receive all game information. Make sure the team name and coach's name listed on this page match the corresponding two fields on each of the individual player entry forms. Please submit all individual player entry forms along with roster and fee at the same time.**

**ROSTER / ROSTER ADDITIONS**

We must have a completed roster turned into our office along with your registration. Rosters should be submitted at least 7 days prior to the tournament. Please note your team entry and payment must be received by your sport's specific entry deadline. Changes may still be made when you check-in if needed.
