DIRECTOR'S WELCOME

Welcome to the 2024 Show-Me STATE GAMES!

The Show-Me STATE GAMES is excited to welcome you back to the **40th annual games!** We could not have done it without the support from our community. Thank you to all of our sponsors, volunteers and athletes who dedicate their time and efforts to support the GAMES each and every year!

To fuel the excitement for this year's events, the Show-Me STATE GAMES will be hosting **Carry the Torch** events with the support of Shelter Insurance. Carry the Torch aims to generate exposure and enthusiasm for the Show-Me STATE GAMES, as well as encourage and congratulate all athletes throughout the state of Missouri that have participated or are prepping for our Olympic-style event. Carry the Torch will conclude with our Opening Ceremonies at Mizzou Arena on July 19.

This year, more than 40 different sporting events are scheduled to take place June 6-9, July 19-21, and July 26-28. Established in 1985 as a non-profit program of the Governor's Council on Physical Fitness and Health, the GAMES, hosted by the University of Missouri, have **promoted health, fitness, family, and fun** to Missourians for 40 years!

We again want to thank all of the people that make the GAMES truly special. Our sponsors, volunteers and athletes make the Show-Me STATE GAMES an amazing Olympic-style sports festival!

Stay active and good luck at the games!

AUDREY WALTON YOUTH LEADERSHIP CONFERENCE

We are excited to host the 30th annual Audrey Walton Youth Leadership Conference! Thank you Ms. Walton for your many years of support! The Conference continues to strive to meet the needs of Missouri's youth.

In 1995, the Show-Me STATE GAMES added the Audrey Walton Youth Leadership Conference in recognition of the need to involve more youth and their families in activities of fitness, health, leadership and primary education. The focus of the leadership conference is to present information on leadership, lifestyle choices and higher education. Students learn to work together, while building their skills in leadership roles. Additionally, they make new friends and establish bonds that will help them in their future endeavors.

The program recognizes youth who are succeeding in school and exhibit leadership qualities. The Audrey Walton Youth Leadership Program brings high school juniors and seniors from Kansas City, St. Louis, Columbia and the surrounding areas to Mizzou for a two-day conference. The 2024 conference, which is free of charge, will begin on Thurs., July 18 and continue through Fri., July 19. The selected participants are in the top half of their high school class and demonstrate leadership ability.

NEVER SETTLE

SHOW-ME STATE GAMES HEAT SAFETY INFORMATION

DEHYDRATION

PREVENTION

- Drink plenty of fluids, especially when working or playing outside.
- Make sure you are taking in more fluid than you are losing.
- Drink water and eat healthy foods to maintain your electrolyte balance.
- Consider occasional electrolyte solutions like low-sugar or sugar-free sports drinks or Pedialyte®.

SIGNS OF DEHYDRATION

- Thirst
- Less frequent urination
- Fatigue
- Light-headedness
- Dizziness
- Confusion
- Increased heart rate and breathing

TREATMENT

- In cases of mild dehydration, simple rest and rehydration is recommended.
- In cases of severe dehydration, seek medical help.

For general questions or concerns about the Show-Me State Games heat policy, please call **(573) 882-2101**.

For emergencies, always call **911**.

HEAT STROKE

PREVENTION

- Drink plenty of fluids during outdoor activities, especially on hot days. Avoid caffeinated tea, coffee, soda and alcohol, as these can lead to dehydration.
- Wear clothing that is lightweight, tightly-woven, loose-fitting and light-colored.
- Protect yourself from the sun by wearing a hat and sunglasses, and using an umbrella.
- Increase time spent outdoors gradually to get your body used to the heat.
- During outdoor activities, take frequent drink breaks.
- Mist yourself with a spray bottle if you get hot.
- Try to spend as much time indoors as possible on hot and humid days.

SIGNS OF HEAT STROKE

- Headache
- Dizziness
- Disorientation, agitation or confusion
- Sluggishness or fatigue
- Seizure
- Hot, dry skin that is flushed but not sweaty
- High body temperature
- Loss of consciousness
- Rapid heartbeat
- Hallucinations

TREATMENT

- **Heat stroke is an emergency. Call 911 if you suspect someone is suffering from heat stroke.**
- It is important for the person to be treated immediately. While you are waiting for medical help to arrive:
 - Get the person inside a cool building and have him or her lie down.
 - Remove the person's clothing. If available, cool the person with water from a misting bottle.
 - Apply ice packs to the groin and armpits.

2023 ATHLETES OF THE YEAR

In 1994, the National Congress of State Games announced a National Athlete of the Year program. The criteria for selection of the Athlete of the Year award includes participation in the State Games, special attributes, attitude and effort, the representation of the spirit of amateur athletics and the State Games movement, and overall athletic participation and achievement. Nominations for the Athletes of the Year are made by the Show-Me STATE GAMES sports commissioners. You can also make a nomination by emailing msg.org

Male Youth Athlete of the Year

Isaiah has been playing pickleball in the Show-Me State Games tournament for the past three years. There are no specific youth divisions, so Isaiah is always battling older folks and has just been out of reach for medal contention. But during our last tournament, he won his first medal with his partner, Joshua Kent! At 11- and 14-years old Isaiah and Joshua earned a silver medal and the golden ticket to the National State Games in San Diego.

Female Youth Athlete of the Year

Veronica started trapshooting at the age of 11 when family and friends would get together every Sunday afternoon to play Annie Oakley. It did not take long for everyone to realize that she was a natural with a competitive spirit. She started shooting competitively in 6th grade for the FFA middle school trap shooting team. She has continued with the team into high school and is a big advocate for the sport, encouraging classmates to join. This year at the Show-Me State Games, she was moved up to the adult division and brought home the gold in trap singles and silver in sporting clays!

**Family of the Year:
The O'Neills**

In 2019, Kevin O'Neill qualified for the National Senior Games in track & field. His family wanted to go to support him, but having a new baby, they opted not to attend. However, they snuck photos and chocolate medals into his suitcase for encouragement. After adding yet another kid to the fan club, his family cheered on "Cappy" at the 2022 Show-Me Games as he qualified for Nationals again! This year Kevin's family was able to support him as he competed at the National Senior Games and it inspired them all to participate in the Show-Me State Games as a family! Three generations of the O'Neill family competed and earned medals in the Show-Me State Games this summer! "Cappy" has inspired his grandchildren to lead healthy lives, chase big goals, and instilled a fierce determination and grit in them through his influence and encouragement! This is what the Show-Me State Games is all about promoting activities of health, fitness, family, and fun!

Male Adult Athlete of the Year

Dave went for gold and succeeded at our swim meet! He earned a total of 16 gold medals in the 80-84 age group and 15 age group records. Dave has had several injuries over the years including being born with spina bifida, knee injuries, a broken foot, and torn ligaments, but he hasn't let them get him down. He started swimming in high school and swam for what is now known as the University of Central Missouri where he was an All-American but took a 42-year hiatus. He ended his hiatus when his mother passed away, and he had a realization about health and well-being. He has been breaking records ever since. One hundred and five Games records to be exact!

Female Adult Athlete of the Year

Liz is not only a great athlete herself but is an incredible advocate for the sport of running. She started running cross country in college and fell in love! That love of running helped her to earn an All-American title in the marathon in Houston in 1981. In 2008, Liz was diagnosed with breast cancer. While going through chemo and radiation, she learned about the senior games and made a goal to qualify for the National Senior Games. The 2011 National Senior Games was hosted in Houston, the same location where she competed in the NAIA National Championships 30 years earlier! This gave her motivation to return to training and break her goal! She competed in multiple events and won overall female in the 5k! Liz has been a huge part of the Missouri State Senior Games ever since!

Female Senior Athlete of the Year

Georgie had some health issues last year and fractured her wrist so she couldn't compete in the 2023 Missouri State Senior GAMES, but it motivated her to come back stronger this year! She grew up and still lives on a farm, which she states has instilled a toughness in her as a competitor. Georgie competed in 9 events and won gold in each event. Way to go Georgie!

Male Senior Athlete of the Year

Rodger competed in the first-ever Show-Me State Games in 1984 and has been competing in the Show-Me State Games and Missouri State Senior Games ever since! He first started competing in track & field at 11 years old and went on to compete at the collegiate level in the decathlon. His advice is to do a little something every day so you can do a little something every day, and if something happens, like a new knee or a heart valve, get started as soon as you can to get back in the game.

2024 DINING GUIDE

Thank you to our dining partners for their support in making the Show-Me STAE GAMES a success! While you're in town for the GAMES it's important to know where to fuel and refuel and it's important to us that you choose those who support the GAMES!

Through the support of our partners, we're excited to offer the new Dining Passport Program where you get the chance to win while supporting our sponsors! All you have to do is print this passport and get it stamped at every participating restaurant. Once you've filled the stamps you submit to sidajl@missouri.edu for your prize! Learn more details at www.smsg.org/dining

Show-Me STATE GAMES Dining Passport

Fill This Up With Stamps!

Visit all of the above dining partners throughout the 2024 Show-Me STATE GAMES year to earn a prize! Once you've filled your passport, submit to sidajl@missouri.edu to collect your prize!

Interested in Volunteering?

The Show-Me STATE GAMES are THE LARGEST STATE GAMES IN THE NATION. One key reason to the success as the largest games event is our outstanding volunteers who dedicate their time and energy in making the Games run so smoothly!

Our participants are always impressed with the warm hospitality and strong sense of community spirit that Mid-Missouri has to offer and it's all because of our amazing volunteers! Our Volunteers help make Central Missouri a great place to host the Games.

Thank you Mizzou!

We cannot thank the University of Missouri enough for their continued support of the GAMES! Not only have they been a long time host of the GAMES, but they are now a Proud Partner of the Volunteer Program!

Look for our volunteers in the gold shirts with this logo on the back and please remember to thank them for their help.

Volunteer Committee

The objective of the Show-Me STATE GAMES volunteer program is to provide all sporting events, ancillary events and athlete registration sites in the GAMES with the support that each sport commissioner needs to run each event at its optimal level.

We are so fortunate to have an amazing community that rallies for the GAMES! That community is formed by and thrives through the support of our amazing Volunteer Committee and the resources, ideas, and creativity that they bring to the table.

We simply could not be the best in the nation without the support of this community and our Volunteer Committee!

If you're interested in joining or for more information, please reach out to Jessie Sida at sidajl@missouri.edu or 573-884-2946!

THANK YOU TO OUR VOLUNTEER COMMITTEE!
